Casual Dining Restaurant & Bar
Catering –lunches & dinners
Take-out and delivery

A restaurant with “pasta” in its name certainly features a bountiful assortment of pasta salads and entrees, but Pastabilities’ menu goes well beyond pasta. Appetizers like pepperjack crab cakes; green salads with fresh & grilled vegetables, sautéed shrimp and chicken; an assortment of sandwiches and daily entrée specials, and full bar service make Pastabilities a neighborhood gathering place that draws people from neighborhoods throughout Greensboro.

Those who dine frequently at Pastabilities have learned to plan their lunch or dinner to allow room for dessert. Each key lime pie, carrot cake, tiramisu, chocolate delicacy, cookie and sweet treat from the dessert menu is homemade just for the restaurant! Selections change daily, but the luscious treats are always an excellent end to a great meal.

From small dinner parties to large business lunches, Pastabilities also caters many business events throughout Greensboro. Well-known for catering that clients love, Pastabilities has a reputation for menus that go beyond the standard turkey sandwich!

And for occasions when you’d enjoy the convenience of a take-out meal that doesn’t taste like take-out food, most selections from Pastabilities’ menu can be prepared for pick-up or delivery (in a limited area).
